

# Interactive Videoconference (IVC) Workshop: A Tool for 21st Century Learning

**When:** June 16, 2008, 9:00 AM - 5:00 PM and June 17, 2008, 9:00 AM - 3:00 PM

**Where:** NC School of Science and Mathematics, Durham, NC

**Who:** Instructors, facilitators, administrators,  
and counselors K-20 education

## Why:

- Learn how IVC is used as an effective tool for developing North Carolina's "Future-Ready" students
- Share strategies to promote IVC programming in the school
- Experience videoconferences with state and national content providers
- Observe ways to blend Web 2.0 technologies with IVC delivery

All participants will receive a flash drive with contact information, distant learning resources and practical tips to integrate IVC in the classroom experience.

Meet content providers virtually!

See the latest technologies!

**Registration fee:** \$85  
(covers lunch and materials for both days)

**Registration Deadline May 30 or when enrollment is full.**

Up to 1.0 CEU available

**For questions** contact:

Carole Stern - stern@ncssm.edu, 919 416-2635

Peg Kirk - kirk@ncssm.edu, 919 416-2632

Get in front of the camera!
