- It is the intent of the NCSSM Distance Education Department that end-of-quarter report cards be considered the official grade report of the courses taken by your students from this institution.
- The NCSSM calendar adheres to the state mandate of 180 days of instruction and the legislative mandate for school year start/end dates.
- When calendars do not align provisions should be made to permit students to attend, or complete work assigned. Classes will be video streamed and archived for student retrieval outside of class. **Students will be responsible for the material covered.**
- Senior grade deadlines will be determined in coordination with individual school sites.
